

Data System Modernisation

Town Hall Pack

On 6 December 2019, SIRA initiated the Data System Modernisation consultation period with a presentation to the assembled Self and Specialised Insurers about the aims of the program, its timeline, and an indication of the technical requirements.

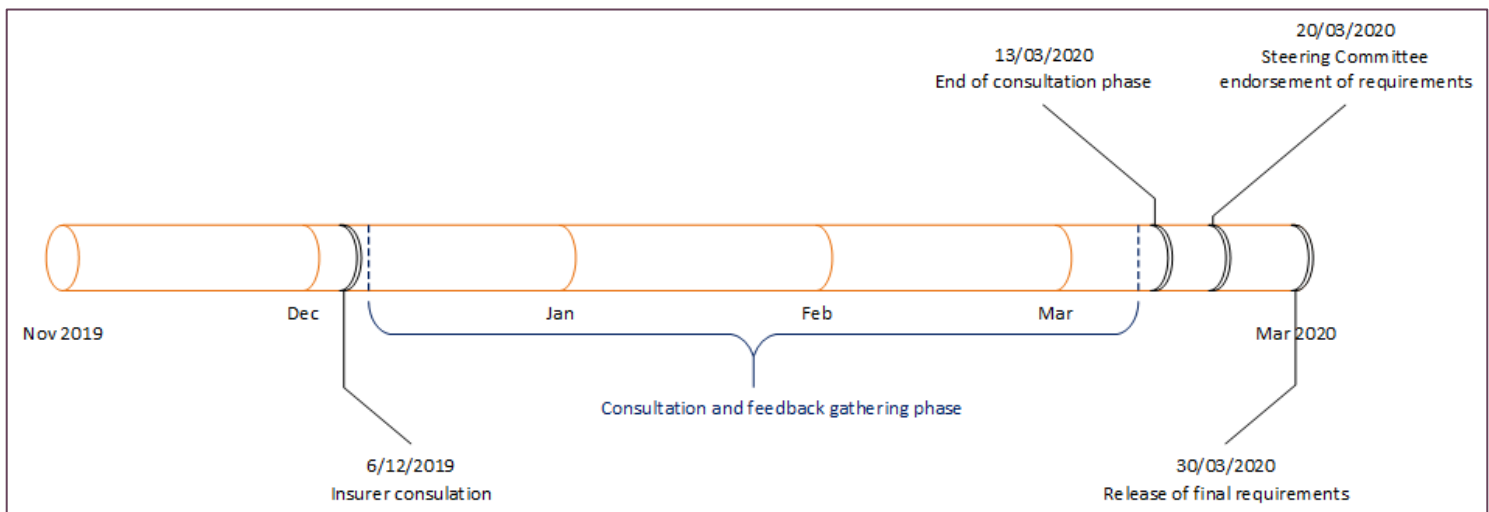

Figure 1 Timeline showing the commencement and conclusion of the consultation process

This pack consists of:

1. A link to the video of the presentation
<https://vimeo.com/378183356/8ff9f92211>
2. A copy of the slides presented at the Town Hall meeting
SIRA-WCDSM-TownHallPres.PDF
3. A list of the proposed new and altered data fields with a template for providing feedback to SIRA
SIRA-WCDSM-DataFields.xlsx
4. An FAQ document containing answers to all the questions already raised
SIRA-WCDSM-QandA.PDF

This pack is being distributed to all stakeholders in the Workers Compensation scheme for consultation and feedback.

Feedback should be addressed to odin@sira.nsw.gov.au

Disclaimer

The information in the attached files is for discussion and feedback.

The details of the final ODIN data submission requirements will be released after the consultation process is completed in March 2020.
